Abstract - Read these notes carefully all the way through and follow them as precisely as possible. This document explains how to prepare a one-page summary for UPEC2008 conference. The summary will be printed on the Conference Summary Book. This document should be used as a template for MS-Word (English format). In this section insert the short abstract of the full paper.

SUMMARY

Authors are fully responsible for their papers, which should not have been published elsewhere. They must have taken necessary steps to obtain permission for using any material that might be protected by copyright.

Specifications

Use Times New Roman font, set the character size at 18pt for the title, 14 for the author(s) name(s), 12 Bold for section headings and 12pt for the text, 13pt for the institution and address, 11pt for figures and table captions, and use single line spacing. The text should be justified

Length of Paper

The summary should be strictly 1 A4 Size page, illustrations included. Please prepare the summary in the light of the above considerations, as reviewers will be strict in enforcing them.

Page size

Page size must be A4 Size (210 mm x 297 mm). You must keep the text within the Frame of this example, i.e. 160 mm x 240 mm. Under no circumstances should text or figures be outside these Frame limits. The margins should be: top - 33 mm, bottom - 24 mm, left - 24 mm and right - 24 mm.

The width of the columns is 76 mm and there should be a 10-mm gutter between the columns. Do not insert headings.

EXAMPLE OF FIGURE

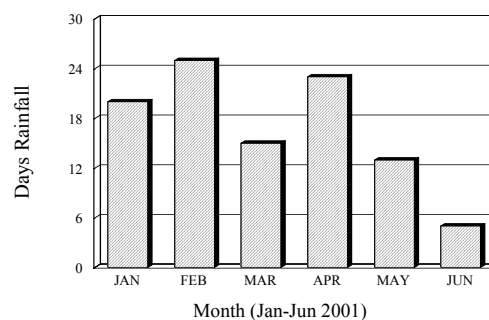

Fig. 1 - Clear line drawings are essential.
